F#m

I can feel a change in everything

And as the surface breaks reflections fade
But in some ways they remain the same
And as my mind begins to spread its wings
There's no stopping curiosity

Corus-

I want to turn the whole thing upside down
All finer things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's songs
I don't want this feeling to go away

To Guitar 2 Intro

Verse

Who's to say
I can't do everything
Well I can try
And as I roll along I begin to find
Things aren't always just what they seem
I want to turn the whole thing upside
All finer things they say just can't be found
I'll share this love I find with everyone
We'll sing and dance to Mother Nature's songs
This world keeps spinning and there's no time to waste
Well it all keeps spinning spinning round and round and
