

## ***"Supermom"***

Luke 1:26-38 / John 2:1-11 / John 19:17-27

Remember when the angel came to her  
He said, "Hail to you o favored one"  
Oh yeah she, she was startled  
And yeah she was afraid but who wouldn't be?

And then the angel said to her, "You're gonna have a baby...  
And you will name him Jesus and he will be a really great son...  
The son of the most high will be living in your womb,  
Do you have any questions of what God is asking you?"

***You're a supermom, a supermom, a supermom, a supermom  
A mom for the whole wide world  
A supermom, a supermom, oh Mary you're a supermom  
I want to have faith like you***

His mom was at the wedding of Cana  
When all of the sudden she started flippin' out  
She said, "We're out of vino and yo, Jesus, can you go solo and help us out?"  
Well Jesus couldn't believe what he was hearing  
He said, "Woman, how does your concern affect me?"  
And so Mary led the people, knowing there would be a miracle  
Will the people do what he tells you to do?

***You're a supermom, a supermom, a supermom, a supermom  
A mom for the whole wide world  
A supermom, a supermom, oh Mary you're a supermom  
I want to have faith like you***

Remember at the place they called Golgotha  
They drove nails deep in her son's poor hands and feet  
And then the soldiers, they took his garments while Jesus' friends were down below  
All they could do right now was pray and weep  
When Christ was dying up there on the cross  
He said to Mary, "Behold, this is your son"  
And then he looked at John and said, "John, this is now your mom"  
From that moment the Lord gave Mary to the world

***You're a supermom, a supermom, a supermom, a supermom  
A mom for the whole wide world  
A supermom, a supermom, oh Mary you're a supermom  
I want to have faith like you***
