## May 30, 2008

**Important information for our last week...**

### Monday

Students should bring their prop for the poetry party (if they have one). If they have actions to go with their poem, they should have those memorized by Monday.

### Tuesday

Our Poetry Party is at 12:00 in our classroom. We are excited to share our poems with you!

### Wednesday

Today we will have our last all-school Mass. After Mass we will take a few moments to thank Mrs. Havran and Mrs. Voelbel for teaching at OLG.

### Thursday

Today is field day! The students will participate in many games outside (weather permitting). It is a NUD (no uniform day). Please follow the policy found in the student handbook. Students will need a waterbottle to bring with them to field day.

Students will also receive their yearbook if they purchased one.

### Friday

If you got a yearbook, please bring it back today. We will have a signing party with the first graders.

### **Wet Ones Needed**

We still need a lot of containers of wet ones. If you are able to donate some containers to our classroom, we would appreciate it! Thanks for your generosity!
