

# April 11<sup>th</sup>, 2008

Welcome back...snow! In Language Arts, we worked really hard on writing our Animal reports. They did a great job researching and writing a five-paragraph report. I am anxious to read all the final drafts! Next week, we will not be starting a new story due to MCA testing. Theme 4 projects are due on Monday the 14<sup>th</sup>. In Math, we have been learning all about fractions. We will finish up our unit next week and will test on Friday. We will also have a 12's quiz on Friday. In Science, we finished learning about vertebrates, animal that have backbones. Next week we will share our animal reports and will begin a new Social Studies unit on Government.

## MCA Information

- Bring 2 #2 pencils, a chapter book to read and a bottle of water (optional)
- Eat a good breakfast the morning of testing!
