Whew! MCA's are over! In Language Arts, we read *Across the Wide Dark Sea*. We also learned about making inferences, suffixes -less and -ness, spelling words with vowel sounds in tooth/cook, and subject pronouns. Next week, we will be reading *Yunmi and Halmoni's Trip*, learning about characters, analogies, possessives, spelling words with the vowel sound as in bought, and object pronouns. In Math, we have been learning all about fractions and will test next Thursday. A review will be coming home with your child on Tuesday to prepare for the test. Please keep practicing those multiplication and division facts, as we will have a mixed fact quiz on Wednesday. In Social Studies, we are learning about a "Growing America". Your child is going to become an expert on one of the lessons and will teach what they know to their classmates. It should be fun to see how well they do! In Religion, we will be starting a unit on safety. They will learn the "check first" rule and will be able to share it with you by the end of next week!
