

April 9th, 2009

Welcome back! The word is out, "Mrs. Krenn is having a baby!" The kids were very excited when I told them yesterday☺ In Language Arts, we worked really hard on starting our research and on writing our Animal reports. They are doing a great job! Just a reminder that this process all takes place in school. The reports will be due next Friday the 17th. We will have a spelling test next week on frequently misspelled words. Next week, we will be finishing animal reports and will begin MCA testing in Reading. In Math, we have been learning all about fractions and will continue to do so next week. Please keep practicing those multiplication and division facts, as we will have a mixed fact quiz on Wednesday. In Science, we are learning about water and will continue to do so next week.
