

The Dryer-Duda Raffle Ticket Medley - lyrics

Backstreet Boys – *I Want it That Way (The World Is Their Runway)*

**Verse 1**

Yeah...

They are, our students  
They won, our raffle  
Believe, when we say  
The world is their runway

And they, make movies in their sleep  
Boy bands make them weep  
And they say  
The world is their runway

**Chorus**

(Dudez and Dry)  
Aint nothin' but straight A's  
(Dudez and Dry)  
Aint nothin' but a boy craze  
(Dudez and Dry)  
We only wanna hear you say  
The world is their runway

**Verse 2**

Both are, so ballin'  
Boy bands, they're callin'  
Cow Club, is their way  
The world is their runway

**Chorus (x2)**

(Dudez and Dry)  
Aint nothin' but straight A's  
(Dudez and Dry)  
Aint nothin' but a boy craze  
(Dudez and Dry)  
We only wanna hear you say  
The world is their runway

Britney Spears – *Gimme More (Gimme Spam)*

**Verse 1**

This girl don't have no issues  
Duda's only got tissues for you  
She'll be your chapstick buddy,  
She might also tell you "GO HOME!"

She can get down like there's no one around  
A Dancin' Queen (she's a rockin')  
Her and her crew (always rockin')

She's sayin' "Easy, breezy, beautiful"  
Like a cover girl, (Princess Wavin')  
Her and Deutz (keep on saying)

**Chorus**

Gimme gimme SPAM  
Gimme SPAM  
Gimme gimme SPAM  
Gimme gimme SPAM  
Gimme (Uh)  
Gimme gimme SPAM  
Gimme gimme SPAM

Gimme gimme SPAM  
Gimme gimme SPAM  
Gimme (Uh)

**Verse 2**

Biscuits from the oven  
Happy meals from the DRIVE THRU  
She's such a Tubing DEVIL  
When she's dishin' disses  
She's number one

She can get down like there's no one around  
A Dancin' Queen (she's a rockin')  
Her and her crew (always rockin')

She's sayin' "Easy, breezy, beautiful"  
Like a cover girl, (Princess Wavin')  
Her and Deutz (keep on saying)

**Chorus**

Gimme gimme SPAM (etc.)

Timbaland – *The Way I Are (The Way They Are)*

**Verse 1**

This ain't for Drya  
This ain't for Kaitlin Duda  
It's for their friends  
'Cause they helped us write this medley  
Talk to us Aitch

**Pre-Chorus 1**

Oh Deutzy it's alright now, we know you're a diva star  
In all your videos you act so crazy bizarre  
And C-Cole you have talent that will take you far  
A whole sandwich in just one bite

**Chorus 1**

Bellows always skips and her slapshot's sick  
(Yeah we like you just the way you are)  
Brownie's real quick, in the drink she'll kick  
(Can you handle her the way she are?)  
Scottie's full of wit, always trying to trip  
(Yeah we like you just the way you are)  
Murph's 2 legit, cha cha cha cha kit  
(Cause they like, they like, they like)

**Verse 2**

Second verse goes to Bug  
She's so cool and not a thug  
She'll pop, lock and drop it  
Yeah this sis sure has got it  
Talk to us Grubs

**Pre-Chorus 2**

Oh Minny, are you crazy tanning out on the tramp?  
Probably but we still think that you're a champ  
And MA sure can play in a symphony  
Just listen and you'll agree

**Chorus 1 (again)**

Bellows always skips and her slapshot's sick  
(Yeah we like you just the way you are)  
Brownie's real quick, in the drink she'll kick  
(Can you handle her the way she are?)  
Scottie's full of wit, always trying to trip  
(Yeah we like you just the way you are)  
Murph's 2 legit, cha cha cha cha kit  
(Cause they like, they like, they like)

**Chorus 2 (2x)**

Drya here's your quip, ditta "dang flabbit"  
(Cause we like you just the way you are)  
You better get a grip 'cause they sure are hip  
(Can you handle them the way they are?)  
Dudez has no fear so you better stay clear  
(Cause we like you just the way you are)  
It's their premier, just lend your ear  
(Cause they like, they like, they like)

The Dryer-Duda Raffle Ticket Medley - lyrics

Taylor Swift – *Our Song (Their Song)*

**Verse 1**

They were filming a flick dressed-up all hip in Catherine Cole's backyard  
They were busting moves in the air so cool  
"Hey watchout for that ca-a-a-r"  
Abby Dry's got yogurt in her eye  
And Duda's soakin' wet  
We say nothing but we're sure thinking "How goofy can they get?"  
And we say...

**Chorus**

Their song is a fashion show  
Baking soda facials and their own silly lingo  
When they're inner-tubing out on the snow  
And the burpin' powder got 'em saying, "Whoa"  
Their song is a laugh attack  
A crazy outfit no they never do lack  
And when they get up... head to OLG  
They'll make you so happy - Just wait and see

**Verse 2**

At Minnesota Valley in the elevator they rode up and down  
They've got grilled cheese shirts, real loud burps,  
and they never ever fro-o-wn  
Down the hallway well on their way,  
to the class ahead  
They almost didn't notice all the students and the sign that said...

**Chorus (2x)**

Their song is a fashion show  
Baking soda facials and their own silly lingo  
When they're inner-tubing out on the snow  
And the burpin' powder got 'em saying, "Whoa"  
Their song is a laugh attack  
A crazy outfit no they never do lack  
And when they get up... head to OLG  
They'll make you so happy - Just wait and see

**Outro**

They were filming a flick dressed-up all hip in Catherine Cole's backyard  
They were busting moves in the air so cool  
When they... raffled off this song
