

Jesus Loves YOU!

What's Coming Up?

Feb. 19-22

Happy President's Day!

### **Yearbook Orders**

Important News from Mrs. Brekke and Miss Bush:

If you are ordering more than one book, please make sure that you are not ordering one for a sibling. Each child needs to hand in a separate order form and check to their homeroom teacher. Yearbook orders are due by Friday, February 22nd - no later.

### **Pennies for Patients**

The students in the 7th Grade and Kindergarten classes need your help collecting donations. Our school is participating in the annual Pennies for Patients program for the Leukemia and Lymphoma Society. Funds raised for the Society will help find cures for the blood cancers: leukemia, Hodgkin and non-Hodgkin lymphoma, and will help patients with these diseases. Donations can be brought to the classrooms February 11 - 28. Thank you in advance for your support and generosity for this wonderful cause. Our class brought in \$101.14 so far! WOW!

### **Valentine's Day Party**

We had a blast today at our party. Even though we were stuck indoors again for recess, we still had a great time!

## **Reading and Spelling**

Spelling List attached. No pre-test for this list for next week. Next week we will learn how to research and write a report about whales together!

## **Religion**

We spent a lot of time going through the 7 steps of Reconciliation. Please practice this with your child at home. Each child has the steps listed on a sheet of paper on the take home side of the yellow folder. This week we learned that there are two ways to prepare for Reconciliation: 1. Pray the Act of Contrition and 2. Examine your conscience.

## **Math**

We started Unit 6 yesterday and learned how to do partial sums addition today. Math facts are going strong. We don't have a print out this week. Sorry, the server was down and our normal time is Friday anyway, so stay tuned for next Friday's print out!

## **No School**

No School Friday, Feb. 15<sup>th</sup> and Monday Feb. 18<sup>th</sup> due to President's Day!

## **Note**

The second grade team has decided to discontinue the reading and math form each month. We ask you to continue to track it at home. The expectations are still the same: study math facts and read each night.
