

Dear Parents,

September 7, 2007

We survived the heat this week and ended with a glorious day today! The kids have really been trying hard to be good students and have even earned their first star party!

This is not a formal newsletter. The formal newsletter will begin next week. I will send it home on Fridays but I will also have it available on my web page, which you can get by going to [olgschool.net](http://olgschool.net) and going to faculty and staff.

I wanted to inform you about some important items.

- 🍏 Assignment Notebooks will go home each evening. Please sign the notebooks and make sure your child has completed the homework.
- 🍏 Spelling will begin the week of Sep. 17<sup>th</sup>. More information later.
- 🍏 P.E. is on Tuesday and Wednesday. Please have your child wear gym shoes on those days.
- 🍏 Students may bring water bottles and a healthy snack to school. Once it cools off a bit, we will go back to drinking water from the fountain right outside our classroom.
- 🍏 Library will be on Friday. Help your child remember to bring back his/her books.

If you have any questions or concerns, please give me a call. My extension is 137. You may also e-mail me at [suehiemenz@olgschool.net](mailto:suehiemenz@olgschool.net).

Thank you,  
Miss Hiemenz
