

Date: March 17, 2007
To: Parents of 6th graders at OLG
From: Laurie McNamara, Licensed School Nurse
Subject: Field trip to Camp Foley

In preparation for the trip to Camp Foley, it is important to plan ahead regarding the administration of medication. There will not be a nurse or a health service associate accompanying the students. It is necessary for you, the parent, to communicate medication needs directly to your child's teacher. Please make sure all medications are in the original labeled container. A written parental permission and an order from the physician indicating name, time, amount, route and reason for the medication must accompany **ALL** medications. Please review any medication administration with your child's teacher.

Thank you for your cooperation in this matter. Our intent is to ensure a safe and wonderful experience for your child. Please sign and return this form to your child's teacher by Wednesday, April 16, 2008.

Parent/Guardian signature: _____
Date _____

Student's name: _____

- My child will not require medications for Camp Foley.
- My child will require medications at Camp Foley. I will provide the teacher with a signed parental permission and physician's order for each medication (**including inhalers and over-the-counter medications such as Tylenol or Advil**)
