

Happy New Year 2010!

Dear Families,

Hard to believe that our break has come to an end, I hope everyone had a lovely Christmas! Hopefully you are all staying warm and managing to enjoy the winter wonderland outside. Back to reality tomorrow; I am really excited to see all of my students! The week will be business as usual as we dive in to a new Math Unit (place value and decimals) and a new Social Studies Unit! We will also finish up the Science/Animals Unit by a trip to Mrs. Moeller's Animal Artifact Museum. With all of the excitement of the Archbishop's visit and Christmas festivities, we weren't quite able to wrap up the animal Unit. By the way the class was absolutely perfect for our Mass with the Archbishop! The practice paid off.

Language Arts	Writing Week, Instructional writing. Spelling List is "frequently mis spelled words."
Math	Unit 5 place value and decimals
Social Studies	Chapter 3, Early America and Native Americans
Religion	Chapter 14: The Christmas Season
Reminders	Our schedule looks wonderfully boring, regular school routine. If we have indoor recess, the kids are welcome to bring their tech decks (small toy skate boards) ...last year the kids loved building skate parks with my wood blocks.

Looking forward to seeing the kids tomorrow. I enjoy the less hectic pace of breaks from school, but am always happy to go back to a job that I love!

Happy New Year! Mrs. Lisa Moeller
