

What's Coming Up?

Jan. 22-25

Social Justice

This week the students listened to Father Mark give a speech about Ghana. Fr. Mark is from Ghana and staying here while studying at the University of St. Thomas. We are so lucky that he could give us a first hand account of what life is like for school children there. We will be collecting school supplies for the students in Ghana. The collection will take place next week January 22-25. Here is a list of items needed:
pencils, pens, small hand held pencil sharpeners, single subject notebooks, and small boxes of crayons.

Math

Do not worry if your child struggled with "rounding off" this week. We will continue to work on estimating and carrying in math. This is not a skill that they will need to master, but it is one we will continue to work on throughout the year.

Next week we will be learning about:

Religion- Laws and Commandments

Math- We will take the unit 4 test and begin Geometry

LA- ou, ow sound

(Sp. list is in your child's yellow folder.)

Rdg- Problem Solving

Sci- Rocks

SS- We are taking a break for this week!

I was so proud of their Social Studies test! The students did an outstanding job studying for a very long unit! Every single student did well and I am so pleased!

Remember, no school on Monday, it is MLK, jr. Day.

Have a great long weekend!

Miss H.
