

January 30th, 2009

Wow! We sure had a fun Catholic Schools Week and now it is back to reality! In Religion this week, we finished our 4 marks logo and next week we will begin learning about the Church and the ways in which the Church teaches us. In Language Arts this week, we read the story *Raising Dragons*, learned how to draw conclusions, learned about suffixes -y and -ly, and about present tense verbs. Next week, we will read the story *The Garden of Abdul Gasazi*, learn about story elements, study spelling words that are homophones, learn prefixes un-, bi-, dis-, mis-, and non-, and learn about past time and future time verbs. In Math, we will be starting our next unit on Geometry. We will also continue studying multiplication and division by 9's and will have a quiz on Wednesday. In Science, we have finished our Measurement unit and will transition to Social Studies next week. In Social Studies, we will be focusing on map skills and knowledge of geographic areas. It should be a fun and normal week!

Other Notes:

- ∞ Study Island: Just as a reminder, you may have your child work on this program at home. If you have any further questions, or if your child doesn't remember his or her password, let me know.

Next Week:

Monday	Return Friday Folder PE & Mobile Lab
Tuesday	Art & Spanish
Wednesday	Mass 9's Multiplication and Division Quiz Library
Thursday	Continental Math @7:45am Computers & Music
Friday	Spelling Test- Homophones Weekly Skills Test- Garden of Abdul Gasazi PE, Music & Spanish

Blessings,
Mrs. Krenn
