

# March 20th, 2009

In Religion this week, we learned about the Blessed Trinity, St. Patrick, and the Holy Family. Next week, we will make a mandala based on all the people who belong in our family. Please continue to complete your Lenten promises every day! In Language Arts this week, we wrapped up Theme 4 on Animal Habitats. Your child should also be working on his or her Theme 4 project, which is due on Monday, the 23<sup>rd</sup>. Next week, we will be learning about biographies. We will read many different biographies in class and will do a short activity with each biography we read. We will not have a spelling test or weekly skills test next Friday! In Math, we are learning a lot about multiplication and division. We will have our Unit 7 test on Tuesday. Your child should complete the Unit 7 review and return it to school on Monday to prepare for the test. Please keep practicing those facts at home! We will have a mixed fact quiz on Wednesday next week. In Social Studies, we worked hard on our Native American projects. I was very impressed with the thoroughness of everyone's research. Way to go! This week, we started learning about animals such as fish, amphibians, reptiles, and birds. Next week, we will learn more about birds and mammals. We are preparing ourselves to write a research paper in class about animals the week we return from spring break.

## Other Notes:

- ∞ Theme 4 Project due Monday: Information came home last week!
- ∞ Carnival Baskets: The third grade has been asked to donate cooking and music related items for the OLG Carnival "Movie Mania". Please bring in your donations by Monday, April 13<sup>th</sup>. Thanks!
- ∞ Sole Searching Service Project: If you still would like to clean out your closets, the student council will not be picking up our shoe donations until Wednesday, so you may bring in more donations until then! Thanks!

\*\*Schedule on back\*\*
