Thursday
PE
Spanish
Music

Friday
Music
Spelling Test
Weekly Skills
Test

Spanish Notes: The quarter 3 test will be on Tuesday, March 16th, The test topics are listed on p. 25 of the Spanish packet in your child's folder.

Highlights of the week: Learning how to measure the volume of water by using a syringe and a graduated cylinder.

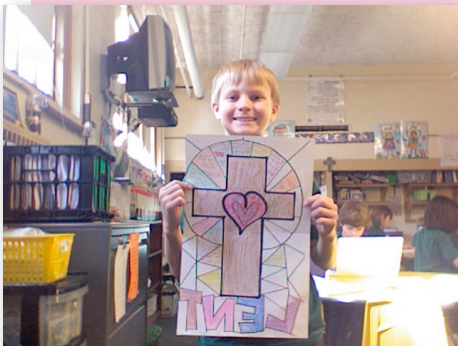

Language Arts-- Our new theme in language arts is Animal Habitats. We will start the theme by reading a story called Nights of the Pufflings which is based off of a true story. The new topics we will learn about are fact charts, verb form of 'be,' parts of a dictionary and syllabication. We will have a spelling and weekly skills test Friday.

Math-- In math our new unit will be working on different and new ways to use our multiplication and division skills. We will play bingo, practice patterns, and learn about parentheses in math. Please continue to review **ALL facts at home** as we will have a **mixed facts quiz Wednesday.**

Science-- This week will conclude our measurement unit. We will review as a whole class Tuesday and take our test on Wednesday. Please make sure to review at home also!

Religion-- We will continue with our Christian chastity unit by learning about the communion of saints and

feeling safe vs. unsafe.

Important Information:

- * Please continue to follow along with our Lenten Journey project. We talk about our activities each day in class.
- * Don't forget to check the lost and found for missing items.
- * Please begin to review the MCA practice tests that will start coming home each week. Your support is so helpful for the success of your child during these tests.
- * If your child is interested in purchasing anything at Old Cahill school please send the money in an envelope with the items to be purchased on the front.
