

## What's Coming Up? March 8-12

The past two weeks should have prepared your child to write his/her hero report. Start working this weekend if you can. It should be a fun project for your child. Please remember this is your child's report. The best reports are the ones written by the child. You may help with editing, spelling, and punctuation, but do not write the report. I will put all hero forms on my web page in case any get misplaced.

Remember no school tomorrow. I am looking forward to seeing you at conferences. Make sure you scroll down for the spelling words!  
**ALL CHILDREN HAVE THE SAME WORDS THIS WEEK. IT IS A REVIEW WEEK.**

No Mass next Wednesday due to Father/Daughter and Mother/Son Mass and Breakfast.

Don't forget that the **FIELD TRIP SLIP** is DOUBLE SIDED. Both sides need to be filled out. Thank you. Please return Monday.

Here is an important message from Senora:
