

What's Coming Up?

May 12-16, 2008

A note from the teacher

Wasn't May Crowning so wonderful? Everyone was so holy and spirit filled as we honored our Mother, Mary. Mrs. Trenary even commented on how reverent the second graders were!

Congratulations to Robby Dorn and Brit Peterson. These 8th graders were chosen by their peers as Mary and Joseph. This means they represent the values and humility of the Holy Family. Our class talked about the choices and behaviors that reflect Mary and Joseph. They agreed that this is something to look forward to in 8th grade!

Keep sending in those First Communion pictures to hang on our memory bulletin board. Next week is the last week to display.

We hope you enjoyed looking through your child's Mass and First Communion book. The children enjoyed creating a beautiful book that showcases their knowledge of the Mass.

We also hope you enjoy your spiritual bouquet for your Mother's Day present, Moms! We will pray these bouquets on Wednesday during Adoration.

A note from Senora Temple:

On Thursday the students will have a test. It will cover the following topics: el alfabeto A-Z, las frutas, 0-100, weather, the house, body parts, farm animals. Lots of fun computer games on Señora's webpage. Gracias... Carla

Next Week

Religion -

Next week we will learn that we are called to go out to all of the world and share the good news!

Math -

We will measure perimeter, area and capacity.

Language -

The focus story will be a Patricia Polacco classic, Thundercake. We will work on sequencing events in a story.

Social Studies -

We will review all week for our American History chapter test through review games (here comes chew and review) and review sheets. Test will be on Thursday or Friday.

Science -

The mealworms are here and under diligent observation. Caterpillars should arrive mid-week. We will observe insect life cycles.

Creepy, crawly, educational, and fun!
