

# May 22<sup>nd</sup>, 2009

In Religion, we are learning about the seven sacraments. Your child will have a quiz on all seven sacraments on Thursday. In Language Arts, we wrote persuasive papers on a story we have read this year. We also typed them, which was a huge accomplishment! Next week, we will read a few fairytales and will be working on our Europe research projects. Each child will choose a country in Europe to research. The research will be done in class and your child will be expected to make a "European Country Float" on his or her research. They will be due on Tuesday, June 2<sup>nd</sup>...more information to come next week. In Math, we have finished Unit 9 and will test on Friday, May 29<sup>th</sup>. We will be reviewing in class for this test. Also, please keep practicing those multiplication and division facts, as we will have a mixed fact quiz on Wednesday. In Science, we are finished learning about sound and will have our Sound Test on Wednesday of next week. In addition to a test, your child is asked to complete a sound project. Information should have come home yesterday. The sound projects are due on Wednesday.

## Other Notes:

- ❖ VEAP Donations: Thanks for all your generous donations!
- ❖ Europe Research Project: Bring a book on your country to do research by Tuesday.

## Next Week:

Monday	NO SCHOOL
Tuesday	Return Friday Folder Bring book on Europe country Art & Spanish ~ TEST Bravo
