

April 25, 2008

Dear Parents,

On Monday, May 5th, our students have the privilege of being the honor guard for May Crowning. May Crowning will begin at 9:00 AM in the church. This is a beautiful and prayerful devotion to the Blessed Mother. It is an Our Lady of Grace tradition and considered to be one of the highlights of the school year.

Please have your child come to school dressed in his/her First Communion attire. The students will then change into their uniforms following May Crowning. If you are unable to attend, please send a garment bag for your child's Communion clothes.

Immediately following May Crowning the students will be meeting with their class for a photograph. If you would like a picture, bring a camera and look for your child's class in the commons.

We are looking forward to this exciting day and hope you are able to join us.

Thank you for your support.
