

Mrs. Moeller's Class

November 16-20, 2009

Dear Parents,

We are cruising right along in our new quarter with a new seating arrangement and new class jobs. I am having all of the class face the front in a row type arrangement; most of the kids were so excited saying, "Wow, this is JUST like college!" As we are learning so many new skills and vocabulary specific to each subject, it is great to be able to make eye contact with each student.

This week we finished our Social Studies chapter with an in class project. We also reviewed Math Unit 3/Measurement in class today and will have the test on Monday. The class is now learning the 3s times table, please help them study their facts at home. We work on facts in school, please see their Friday folders. We will begin the Sound Unit in Science next week as well. Please make sure that your child brings in their \$1.00 and food item for the Thanksgiving Basket.

LA	We will read <u>The Talking Cloth</u> . Cluster Maps, noting details, contractions, 3-letter clusters and unexpected consonant patterns (spelling), Rhyming words, singular and plural nouns, and answering written questions.
Math	Unit 3 test Monday, 11/16. Extra review going home over the weekend. Unit 4/Multiplication starting Tuesday. 3s multiplication quiz on Wednesday 11/18.
Religion	The Early Church
Science	Sound Unit. Sound discrimination (telling sounds apart). Vibration and pitch.
Please Remember	Bring \$1.00 and food for Thanksgiving Basket by 11/19. 12/2 No Mass. 12/8 Immaculate Conception Mass 10:00. 12/9 Reconciliation. 12/10 Concert pm. 12/16 No Mass. 12/17 10:30 All School Mass and X-mas lunch.

One more week of hard work, then a happy Thanksgiving Break for all!

Peace,

Mrs. Lisa Moeller

Monday...PE, Math Test Unit 3.
