## Art Masterpiece

Thank you to Mrs. Fleming for kicking off our year of Art Masterpiece with a beautiful scenic painting by the German painter Albert Bierstadt titled *Merced River in Yosemite*. The students spent some time learning about his famous works then creating their own nature scene. We are already looking forward to our next lesson.

## Science Project

We will be constructing our science electric game boxes at school on Wednesday, October 31<sup>st</sup> at 8:45 am. Students will need to have a small to medium sized shoe box for this project. We will begin the rough drafts of the game boards next week in class. I will send a note home next week to the parents that signed up to help with this project.

## Book Orders

Scholastic book order for October, are due on Tuesday the 23<sup>rd</sup>. Please do not send cash. Checks should be made payable to Scholastic Books.

Have a wonderful MEA weekend.
