Marathon!

Congratulations to our class for raising over \$2600 to reach our goal. We had a root beer float party on Friday to celebrate. We will also have a snack potluck next Friday. Students may bring in a snack of their choice to share. As a school, we reached our goal and will receive a NUD on **Monday, October 8th**. Thank you to all the parents for donating both time and money. See you all at the Marathon this Saturday, October 6th, from 9-12 on the OLG campus.

Living Rosary

Our trip to the Cathedral on Friday was very reverent. The students prayed the Sorrowful Mysteries with compassion. Ask your child to share with you their experience!

Testing

This week was busy with the MAT 8 testing. However, the students did an excellent job of being to school on time and staying focused on their tests. Please remember that we will wrap up testing on Monday and Tuesday morning of next week.

Have a fun and safe marathon weekend!
