Become An Expert

Students finished up their papers this week! They will be bringing a copy home over the weekend to help them plan for their presentation. Details and assigned dates are in your child's Friday folder.

Wells Fargo

We had a great field trip to the Wells Fargo Museum on Tuesday. The students learned more about the movement west and some even caught Gold Fever! They also rode on a replica stagecoach and did a history scavenger hunt. A big thank you to Mrs. Ng, Mrs. Traun and Mrs. Rolfes for accompanying us on the trip!

Fall Sports

Mr. Solsten has posted on his webpage all registration forms for the fall sports season. Registration forms are due to Mr. Solsten by Friday, May 23rd.

For Mom's Eyes Only!

We will begin working on our Father's Day gift soon, and your child may need your help, mom. Each kid will need to collect a penny from each year that he/she has been alive and a special memory with dad from that year. Please help your child plan ahead! Thank you!

Have a wonderful weekend,
Ms. Reimer
