

OLG ALTAR SERVING

1. Y'all are awesome! Thank you for serving the Church and for being such great role models. Jesus is mightily proud of you – I'm sure of it!
2. If for some reason you are not able to serve Mass on your scheduled day, please let Mr. Aitchison know at least 2 days in advance so that a sub can be found.
3. **YOU** are responsible for knowing your scheduled serving days and for making it to the sacristy 15 minutes before Mass.
 - a. Aitchison homeroom captains will deliver a server reminder note to you on the day you are scheduled to serve (the note will look like the one below).
 - b. If you lose your schedule, you should be able to find a copy of it posted on my website as well as on the side of the lockers next to my classroom door.
4. Occasionally funerals will come up during the year. There may be a chance that you serve one or two (or none) of these during the entire school year.
 - a. Sometimes you will be offered money in gratitude for you serving. If you accept the money, you may not count that serving as a part of your Religion service hours.
 - b. You may also be invited to eat lunch after the funeral. Feel free to do so, just make sure to get to your next class when you are finished eating.

FRIENDLY REMINDER
