

September 7th, 2007

Dear parents,

We all made it through the first week of school! It was hot, but we survived. This week we had fun learning about one another and about Mrs. Krenn. We played a fun "Skittle" getting to know you game, made a "Coat of Arms" about ourselves and talked with our classmates to get to know them better.

Next week in math, we will start our first unit on routines and review. We will also be working on some addition and subtraction before we begin our multiplication and division facts for the year. In Language Arts, we have been talking about reading strategies and will continue doing so next week. In Social Studies, we will begin our first unit on map skills. We will be very busy!

Don't Forget:

- My main form of communication is through voicemail and email. **Please send me an email within the next week, so I have your email addresses for future use.** Thanks! My voicemail extension is 151 and my email address is jenniferkrenn@olgschool.net
- Health forms are due to school as soon as possible

Next week:

Monday	Sign and Return Friday Folder PE & Mobile Lab
Tuesday	Art & Spanish
Wednesday	Mass Library
Thursday	Computers & Music
Friday	PE, Music & Spanish

Have a great weekend!

Mrs. Krenn
