

Voelbel's Week in Review

February 14, 2008

What's Coming Up?

- **Friday, February 15th:** No School
- **Monday, February 18th:** President's Day, No School.
- **Friday, February 22nd:** Unit 5-8 Vocabulary test. The students will be responsible to know all of the words definitions and parts of speech. There will be NO synonyms or antonyms on this test.

Math Unit

We are starting unit 7 on fractions and their uses next week. You should see the parent letter explaining more about the unit in your child's Friday folder. Your child is also bringing home their completed journal one and may choose to do whatever they like with it either keep it as a reference or recycle it.

Valentine Party

Thank you to the parents who helped out with the Valentine party this Thursday. The students had a great time passing out their Valentines and playing bingo!

February Service Project

Pennies for Patients was successful this week. We have raised over \$19 worth so please keep bringing in any loose change. The collection will run through Thursday, February 28th.

Yearbook Orders

Yearbook order forms are due by Friday, February 22nd and the price is \$12. Please send separate orders and checks for each child in the family that wishes to purchase a yearbook. Orders should be given in each child's homeroom teacher.

Happy Valentine's Day,
Mrs. Voelbel
