

Name _____ Score ____/____

Read the following paragraph and use the table to organize the nouns you read. In the common nouns section, highlight or underline 4 general nouns and write an alternative noun that is more exact. One has been done for you. *There are 22 common nouns (including repeats), 4 pronouns (do not repeat these), and 2 proper nouns*

Pronouns	Common nouns	Proper nouns
	box – chest	

As we entered Khunum Cave, we saw a big painting of the pharaoh. Next to the painting was a little box covered in gold. We looked at the walls and saw spiders crawling in the dark dusky shadows. Tom lowered his torch and more came into view. There were clay pots on the ground with decorations on them. A few feet from the pots lay more boxes covered with dust and cobwebs. We had no idea what would be inside, but we were going to find out. My heart was racing!
