Become An Expert

A reminder for the students, that the Expert presentations start this Monday, May 19th. All students, no matter what day they present on, should have all their visual aids to school by this Monday.

Wells Fargo

We had a great field trip to the Wells Fargo Museum on Monday. The students learned more about the movement west and some even caught Gold Fever! They also rode on a replica stagecoach and did a history scavenger hunt. A big thank you to Mrs. Rocheford and Mrs. Kolar for accompanying us on the trip!

Fall Sports

Mr. Solsten has posted on his webpage all registration forms for the fall sports season. Registration forms are due to Mr. Solsten by Friday, May 23rd.

Art Masterpiece

Thank you to Mrs. Gross for coming in to teach the final lesson on the Tiger Pillow which is a source of strength for the Chinese in the late 12th century.

For Mom's Eyes Only!

We will begin working on our Father's Day gift soon, and your child may need your help, mom. Each kid will need to collect a penny from each year that they have been alive and a special memory with dad from that year. Please help your child plan ahead! Thank you!

Have a wonderful weekend,
Ms. Strantz
